

## Masterstroke Awards 2024

# Best FM Sustainable Working Model Commercial Space Award Nomination Form

Any facility in the commercial, institutional or retail space and/or facility service providers operating in any of these spaces can participate. A well-defined model using technology, smart solutions & real time data implemented between August 2023 and August 2024 will be considered. The applicants (both the facility and the service provider) can contest for the award individually or along with the FM Service Provider.
